Comments:

Ask for Katie

Where can the Widget be placed?

The widget can be used in the following templates:

- Return Confirmation Page Template

Widget Options

Option	Use	Comments	Available from Version
--------	-----	----------	------------------------

Description	A short description of the widget's use.	We recommend this field be updated so the widget's purpose is clear at a glance from the template page.	All
Layer	The layer the widget is valid for.	<p>The layering technology allows for the content to be shown to specific audiences.</p> <p>This is handy if the content is only valid for a certain type of user, or if the same widget is required for more than one audience but different configurations are needed.</p> <p>The widget can be added to the zone more than once and the layer feature can determine which audience can see each widget.</p>	All
Show the State field in the Address	Determines whether the State is displayed as part of the pickup address.	<p>Default is: enabled</p> <p>Untick to disable</p>	4.05
Titles			
Heading	The heading displayed at the top of the widget.	Default is: Pick up Address	4.05
Heading Icon	The icon displayed to the left of the heading at the top of the widget.	Default is: cv-ico-general-truck	4.05
