

# Order Line Click And Collect Static Widget

## Widget Use

Displays product availability at the order line level in static scenarios such as the Order Confirmation page. This version is used for sites with Store Availability / Click and Collect functionality, in lieu of the standard 'Order Line Availability Static' widget.

## Example of Widget Use

Following is an example of the widget in use:

| Order Summary                                                                                                                        |     |                |      |                |
|--------------------------------------------------------------------------------------------------------------------------------------|-----|----------------|------|----------------|
| Product                                                                                                                              | Qty | Price (ex GST) | Unit | Total (ex GST) |
|  1kg ABE Fire Extinguisher with Bracket             | 1   | \$18.09        | Each | \$18.09        |
| <div>Available for DeliveryAvailable for Pickup</div>                                                                                |     |                |      |                |
|  Trafalgar First Aid Conforming Bandage 75cm x 10cm | 1   | \$2.25         | Each | \$2.24         |
| <div>Available for DeliveryLow stock - call to confirm</div>                                                                         |     |                |      |                |
| Subtotal (ex GST)                                                                                                                    |     |                |      | \$20.34        |
| Plus GST                                                                                                                             |     |                |      | \$2.03         |
| Total (inc GST)                                                                                                                      |     |                |      | \$22.37        |

## Where can the Widget be placed?
