# Product List Compare Widget

Widget Use

Renders the 'Add to Compare' tickbox and prompt on products in the zoned list view.

Example of Widget Use

Where can the Widget be placed?

The widget can be used in the following templates:

- Product List Item Zoned Template

Widget Options

Option	Use	Comments	Available from Version

Description	A short description of the widget's use.	This description is added to the widget title. It makes the widget's use clear on the template page.	All
Layer	The layer the widget is valid for.	Use layering to limit widget content to certain groups of users. To use the same widget for more than one user group but with different options set, add the widget as many times as needed in the same zone. Then add layering to define the user group each time.	All
Add to Compare	Label for the Add to Compare checkbox.	Default: Add to Compare	All
Added to Compare	Label for the Added to Compare checkbox.	Default: Added to Compare	All
