

CC the Order Placed email to another recipient

A recent enhancement means that it's now possible to send a copy of the Order Placed email to an additional address for each Customer Code.

If you'd like to take advantage of this feature, just contact us to have the "CC Order Received Email Address" field added to your Customer Maintenance page.

CC Order Received Email Address :	<input type="text"/>
Require Cost Centre on Order Lines :	No
Default Order Term :	
Enable Email Approval :	No

FYI - an overview of the various BPD email types can be found here: [Widget-Based Email Templates](#).
